Memo No: GMADA-D.E. (PH-1)-2020/ 1964
Dated: 31/11/20

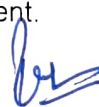

Sub: - Application for permission for Solid Waste Disposal, Sewerage Disposal, Storm Water disposal and Water Supply for the project.

Ref. Your application dated 16.10.2020.

It is hereby intimated that GMADA will provide connections for domestic Water Supply, Sewerage, Storm Water Drainage and Treated Water as per prescribed rates.

As far as, Solid Waste Management of your project is concerned, it is brought on record the Department of Local Govt. Punjab is in the process of setting up of Common Municipal Solid Waste Management Facility in Village Samgauli, Tehsil Dera Bassi, Mohali for the entire area under GMADA jurisdiction. Since, your project falls under the Mohali Master Plan grid, the prospective Solid Waste load of your project has also been accounted for, while deciding the capacity of this facility. The concerned department will take care of Solid Waste likely to be generated from this project at the rates prescribed by them, but till the time such facility is created by concerned department you have to manage Solid Waste of your project on your own. You have

Apart from this, Constructions & Demolition management will be done by you at your own level as per guidelines issued by the government.

Divisional Engineer (PH-1)
GMADA, S.A.S.Nagar
