Present None for the complainant/DH

This case has been called for several times since morning but neither complainant/DH himself nor anybody else is present. Perusal of the record shows that on the last various dates, none has appeared on behalf of the complainant/DH. Even various directions were issued on various dates to the decree holder to furnish correct residential address of the JD/respondent and to furnish account details pertaining to the execution in hand but he never complied with these directions, for the reason best known to him. Even the complainant/his representatives were served through various notices but nobody came present for the reason best known to him. It is already 3.40 p.m, the cause list has already exhausted but none is present on behalf of the complainant/DH. Long absence of the complainant/DH indicates that he is not interested in perusing this execution application. So this execution application stands dismissed for want of prosecution and due to the absence of the complainant/DH. File be consigned to the record room, after necessary compliance.
